SIS NOTICE NO. 12

SIS-1 and SIS-2 Pay Rates

It has come to my attention that certain pay inequities continue to exist with regard to the SIS pay rates established for SIS-1 and SIS-2 officers whose salaries were adjusted in January 1982 in relation to rates established for those GS-15 officers promoted to SIS-1 on 10 January 1982. The establishment of these rates was two-fold; one, to provide monetary benefit, where possible, for those promoted to SIS-1 on 10 January 1982, and secondly, to adjust SIS-1 and SIS-2 rates for officers promoted prior to January 1982 in relation to the current GS-15 rate they would have achieved had they remained under the General Schedule. We now realize that these separate efforts have created further internal pay disparity by linking SIS rates to the General Schedule which may be compounded further subject to future GS and SIS rate adjustments. Therefore, I have decided to amend our SIS pay policy as follows:

- a. Rescind the current SIS promotion pay policy contained in SIS Notice No. 10.
- b. That the rate of pay for SIS-1 be limited to \$54,755 and the rate of pay for SIS-2 be limited to \$56,936.
- c. Officers promoted to SIS-1 and SIS-2, whose current salary exceeds the established payable rate, be authorized pay retention not to exceed the statutory rates established for the General Schedule (\$57,500).
- d. SIS-1 and SIS-2 officers whose salaries were adjusted in January 1982 will retain their current rate of pay.
- e. Officers promoted to SIS-1 on 10 January 1982 will retain their current rate of pay.
